Over 14 years ago, our founders envisioned island leaders gathering once a month to learn from one another, problem-solve, network, and build relationships for future collaborations. This vision came to fruition in 2005 upon the graduation of the first adult cohort filled with 15 diverse community-minded individuals. Many from the Class of 2005 are currently serving Kaua'i at top level leadership roles in government, business and non-profit organizations.

Today, because of your support, 13 more adult classes have successfully graduated! The adult alumni are 210 strong along with 114 youth, and 188 Rotary Leadership Youth. Committed to integrity, inclusiveness, and passion, they have completed 42 community projects touching and improving the lives of over 35 percent of island residents and visitors.

*Since 2003, Leadership Kaua'i has been dedicated to the education of leadership practices and principles, to ensure that a source of qualified and committed leaders are ready to serve our island in the spirit of Aloha. As we continue to provide a safe place for difficult conversations; discussions on complex issues are held with civility, thus modeling the way for tomorrow's leaders to emulate in their workplace and families for generations to come.*

We, are deeply grateful and appreciative of your generous support that has allowed individuals to learn how to be more effective by embracing leadership practices necessary to prepare for Kauai's future, especially during this time of rapid growth and exponential change in this 21<sup>st</sup> Century.

*Invest today in Kauai's future leaders...*

This November marks the beginning of our annual fundraising campaign. Mahalo nui loa for helping to ensure there will be leadership balance in the perpetuation of our rich island way of life for the next 7 generations.
