**Registration for Class 2019 begins on February 1, 2018!**

*Applications are open to any interested community member who has the desire, enthusiasm and commitment to develop their leadership skills and knowledge for the benefit of themselves, others and the community.*

## Purpose of Leadership Kaua'i

Leadership Kaua'i's goal is to improve and broaden community leadership resources through better understanding and education. In achieving our program objectives of personal development and greater community collaboration, Leadership Kaua'i strives to strengthen and expand the ranks of Kaua'i's effective leaders. Our 10-month program allows community members to conduct a self-assessment of their leadership skills, inspire new perspectives, develop skills and expand knowledge, while simultaneously establishing lasting relationships with diverse colleagues from around Kaua'i. In the team project component, students take what is learned in the classroom and apply it as they work collaboratively on a community issue.

## Selection Criteria

The Executive Director, Program Director and a committee of community leaders will review the applications and interview candidates. The committee will strive to make each class reflective of our diverse community. The most important factor in the Leadership Kaua'i selection process is the identification of those individuals most apt to use their leadership for the long-term benefit of the community. The program selects individuals with a desire for a deeper understanding of Kaua'i and with a sincere commitment to serve in the community. The typical applicant will be a resident of Kaua'i and have demonstrated both an interest in community issues and have a record of participation/achievement in voluntary community activities.

## Participant Time Commitment

To accomplish the program's objectives, full participation of each individual is necessary. Participation includes **mandatory attendance at the Overnight Leadership Retreat, Graduation**, as well as attendance at a **minimum of 8 of the 10 regular monthly sessions**. The integrity of the program requires that participants be on time and present from start to finish (8 am to 5 pm) of each program day to both learn the leadership skills and to develop personal relationships.

This is the minimum graduation requirement. In addition, the program includes class projects in which students will work together on a community issue throughout the program and engaging in Leadership Practices Inventory 360 Exercise and a Personal Leadership Development Plan. Participation in all aspects of the program will enable you to get the most out of your Leadership Kaua'i experience.

**Note on Attendance:** Sometimes it is difficult to attend a program for various reasons, including work and family responsibilities. Despite these challenges, each individual attendance is important for the entire class to function as a whole entity, as well as the integrity of the student becoming a Leadership Kauai graduate.
