Leadership Kaua'i Alumni Network (LKAN)

Many of our 230 graduates (2005–2018) consider their participation in Leadership Kaua'i as a turning point in their lives and formally organized the Leadership Kaua'i Alumni Network (LKAN) in February of 2008. Comprised of graduates from each class the Leadership Kaua'i program, *our alumni are at the forefront of the community leading the response to our island's needs.* Our alumni give back to our community as they serve as role models, mentors, and coaches for years to follow. *Through a program evaluation, it was found that 95% of our alumni have increased their service to the community by serving on commissions, boards, councils, and community initiatives.*
