

### **Our Purpose**

Leadership Kaua'i, a 501(c)3 non-profit organization, has been dedicated to growing strong leaders on Kaua'i since 2003. Our mission is to educate and engage a cross section of diverse individuals from all parts of the island with different social and economic backgrounds to serve our community collaboratively and ensure Kaua'i has a source of qualified and committed leaders. It is our intent to develop effective leadership skills and a philanthropic attitude in all of our participants, as well as to provide our youth with resources and incentives to return home to Kaua'i upon completion of their college education.

## Annual Adult Leadership Program & Pi'ina Hoku Youth Program

Beginning in 2012, Leadership Kaua'i is launching a multi-year project with a goal to expand its youth leadership programs to all high schools island-wide, ultimately reaching thousands of youth.
